

# Kids For Kids - Long Term Giving

## LONG TERM HELP NEEDS LONG TERM SUPPORT

By donating **regularly** you will make a real difference in ensuring the sustainability and reach of our projects. Your help will enable us to plan for the **FUTURE**, and to make an even bigger contribution to children's lives across the region of Darfur, Sudan.

A group of 6 goats provides a family with a chance to escape the desperate poverty that is striking Darfur. With the right level of care 6 goats can become 20 goats in two years. The family then pass on 6 healthy goats to another family, and in 2 years they do the same. This means your gift goes on, and on, and on helping more and more families, so that entire communities benefit from your gift.

By joining our **REGULAR DONORS** you will be making a direct and immediate difference to the lives of children because:

**£5 a month** could buy a full set of 6 goats every 2 years.\*

**£10 a month** could mean a new family gets a complete set of 6 goats and a new chance for survival every year you donate.\*

**£15 a month** could provide a family with a full set of goats as well as blankets and a mosquito net every year and also allows us to plant some trees providing Darfur with much needed shelter and arrest Desertification. This will provide long term environmental improvement within Darfur, Sudan.\*

**£20 a month** could provide one of our villages with a water cart each year. This saves the children walking extremely long distances under the scorching sun in search of water and allows them to attend school, a key element in helping the villages prepare for the future.\*

### GIFT AID DECLARATION

I wish **KIDS FOR KIDS** to treat as **GIFT AID** all donations I have made for the six months prior to this year, and all donations I make from the date of this declaration until I notify you otherwise. Please note that for your gift to qualify for tax relief you must be paying at least 28p in income tax or capital gains tax for every £1 donated.
