

JOIN THE KIDS FOR KIDS 10th BIRTHDAY CELEBRATIONS and help children in Darfur

We are inviting everyone who loves a child to have a party to celebrate our 10th Birthday and help a child in Darfur!"

The tragic situation in Darfur in the west of Sudan has been called the world's worst humanitarian crisis. And still it continues. KIDS FOR KIDS has been lending six little goats to families to give the children milk ever since 2001 when one little 9 year old's seven hour walk to reach water inspired the start of KIDS FOR KIDS. One mother said "Within a week of receiving my goats one had a little kid and she is now giving me four cups of milk a day. This is the first time I have been able to rely on anything for my children. Goats have transformed our lives." Helping provide goats, is a real opportunity for us to help mothers struggling to look after their children. And we do much more - everything aimed at helping children to a better future - despite the ongoing problems in Darfur.

2011 is **KIDS FOR KIDS** 10th Birthday and we are celebrating all we have achieved. One small 9 year old's lonely walk for water across the deserts of Darfur has lead to us helping 250,000 people in our first 10 years!
