## **DRAWN ..... to DARFUR**

### **Instructions:**

To celebrate our 10th Birthday I need your help please! We are inviting celebrities - TV & Movie stars, sportsmen, politicians, footballers, musicians, business tycoons, pop stars, and of course ... artists - to give us just 5 minutes of their time to DRAW FOR DARFUR.

Please will you contact anyone who fits this description, and invite them to help the children of Darfur? (If you spot anyone you think might help, and do not know them, it is possible to find contact details, or perhaps their agent, on the internet.) We need a big writing campaign to ask every single star to help. If we can get enough support, we could change hundreds of children's lives. We need as many pictures as we can get!

"**Drawn . . . to Darfur**" will start as a **limited edition book** of drawings, paintings, doodles and sketches, produced by famous people, to help the children of Darfur. These are the invisible children in the villages who have never had a toy, or a second dress - or even a blanket. It doesn't matter how simple the work is – it's the thought that counts.

We will then have **The Darfur Celebrity Art Exhibition** for our 10<sup>th</sup> Birthday in 2011, and then auction the original artwork at **The BIG BUY- THE Celebrity Charity Auction of 2011** - later in the year in London at the well known **Chris Beetles Gallery in St James'**

**Every penny raised will go to help the children of Darfur.**

I would be so grateful if you could help with this project! Please will you ask for a photograph of the celebrity, a few words saying anything he/she likes, plus short bio! I am of course hoping that some people will want to draw goats and donkeys! These small creatures make a huge difference to the lives of children; but this isn't essential! If the celebrity says they really cannot draw at any price, please could they draw a simple heart, on a fresh piece of paper, with the word DARFUR inside .... and sign their name!
