

# CELEBRITIES DRAW FOR DARFUR!

A little 9 year old's  
7 hour Walk for Water  
inspired Kids for Kids .....  
now celebrities are inspired  
to Draw for Darfur!

## DRAWN ..... to DARFUR

Celebrities have been DRAWING FOR DARFUR to say they care about the children of Darfur. They are asking you to show you care too! Drawn...to Darfur is a **special edition book** of drawings, paintings, lithographs, doodles and sketches, - and simple hearts and autographs - by famous people, to help the children of Darfur. These are the invisible children in the villages who have never had a toy, or a book - or even a blanket. Drawn...to Darfur also contains the story of Kids for Kids, with unique photographs from Darfur of the help we are giving to families living in one of the most inaccessible regions of the world.

Show you care and help a child in Darfur by buying a Book and helping a Child!

Darfur is isolated geographically, economically, and politically - but it is not forgotten! Some of our most famous and best loved celebrities, including H.R.H. The Prince of Wales, the Archbishops of Canterbury and York, Joanna Lumley, Robert Lindsay, David Suchet, Eamonn Holmes, Chris Tarrant and Tamzin Outhwaite - and many more - have come together to help children living in remote villages. You will astounded at the talent of your favourite people!

We are asking for a minimum donation of £20 per book. (Just £22 buys a goat and a goat means a child can drink milk every single day!)

**Every penny raised will go to help the children of Darfur**
