## **DRAWN ..... to DARFUR**

To celebrate our 10th Birthday may we ask your help please! We are inviting celebrities to give just 5 minutes of your time to DRAW FOR DARFUR.

With your help we could change hundreds of children's lives.

**"Drawn . . . to Darfur"** will start as a **limited edition book** of drawings, paintings, doodles and sketches, produced by famous people, to help the children of Darfur. These are the invisible children in the villages who have never had a toy, or a second dress - or even a blanket. It doesn't matter how simple the work is – it's the thought that counts. If you really cannot draw at any price, please will you draw a simple heart, (on a separate piece of white paper) with the word DARFUR inside .... and sign your name underneath! Pictures can be any size!

**The Darfur Celebrity Art Exhibition** for our 10<sup>th</sup> Birthday in 2011 will be held at the **Chris Beetles Gallery** in London - and then your original artwork will be sold at:

**The BIG BUY- The Celebrity Charity Auction of 2011**

**Every penny raised will go to help the children of Darfur**

I would be so grateful if you could help with this project! Please may we also have a photograph of you (ideally via email - [patricia@kidsforkids.org.uk](mailto:patricia@kidsforkids.org.uk)), and a few words saying anything you wish, plus a brief biography! The final date to receive pictures is 1st October to enable us to get the book ready for Christmas.

I am of course hoping that you might like to draw a goat or donkey! You will know that our little kids give milk for the children, and the donkeys carry so much more water than a 9 year old child. These small animals may be simple, but they make a huge difference to the lives of children.

**We don't believe in charity, we believe in helping people to help themselves ..... but we need your help to do it!**
