## JOIN THE KIDS FOR KIDS SMALLEST COFFEE PARTY EVER! and help children in Darfur

The tragic situation in Darfur in the west of Sudan has been called the world's worst humanitarian crisis. And still it continues. KIDS FOR KIDS has been lending six little goats to families to give the children milk. One mother said "Within a week of receiving my goats one had a little kid and she is now giving me four cups of milk a day. This is the first time I have been able to rely on anything for my children. Goats have transformed our lives." Helping provide goats, is a real opportunity for us to help mothers struggling to look after their children.

This year's **KIDS FOR KIDS** fundraising events are all the more important as Darfur struggled with the worst drought for years in 2010. 95% of the harvest had failed. Children starved. But we can make a difference. They need help to have a chance this year.

Join the **KIDS FOR KIDS SMALLEST COFFEE PARTY EVER!**  
and help children to stay healthy

**Invite 3 friends to coffee and ask them for just \$10 each –  
and the four of you will be able to donate 1 goat to a child in Darfur! It's as easy  
as that!**

4 cups of coffee = 1 goat

6 goats = \$198 and in 2 years 6 more goats go to another family,
