

WIN UP TO £500 EVERY MONTH - AND HELP GIVE £500 TO BUY GOATS FOR CHILDREN WHO HAVE NOTHING!

THE KIDS FOR KIDS 100 CLUB is a way of helping children in Darfur, and to win a prize yourself - every month. Tickets are available at just £10 a month (£120 a year) giving you the chance of winning...

£500

Each month's draw takes place at the end of that month, with up to £500 allocated as that month's prize to the lucky winner, and up to £500 given to help children in Darfur* . 100 tickets are available each month. You may purchase as many tickets as you like, either for yourself or as an exciting Gift! Pay either annually or monthly by Standing Order. We will send you details of your Kids for Kids' 100 Club Lottery Number/s and you will automatically be entered into the Prize Draw every month. The odds are extremely good, with some lucky supporters winning more than once already.

Just think - you could give your prizes to your children, your grandchildren, your Godchildren, or have a treat yourself, knowing that children in Darfur are benefiting each and every month. With a maximum of 100 in the Club the odds are much better than the National Lottery! And it is Kids for Kids wins too. In the first year we have been able to provide 6 goats and a donkey to 20 families in Darfur - and in two years another 20 families will benefit from the first year of our Lottery, and then another 20 every two years after that! Children desperately need milk right now, and this is our way to thank you, and to help them. Every month we will be helping more children, thanks to the 100 Club.

* if fewer than the maximum of 100 tickets are sold in any month, the prize for that month will be 50% of the total sum invested for that period.
