

THE REAL EGG PROJECT

Instead of giving Easter Eggs this year,
why not give real eggs?

For £15, you can give three laying hens and a rooster to a family in need!
Eggs are a valuable food source for the frail and the elderly of Darfur, as well as their families!
So, instead of sending an egg, send a Special Edition Gift Certificate

Which came first...
The Chicken or the Egg??
In Darfur, the chickens come first!
They are easy to look after and their eggs are an essential source of protein!

To order, please get in touch or head straight to the shop on our website:
