

Fishing for Goats!

**Kids for Kids' Executive
Fly Fishing Day**

**Saturday 10th October 2020
Park Lake, Albury**

**Let's go Fishing and change the lives of the forgotten
children of Darfur, Sudan.**

At last, we can meet again! Come and enjoy this wonderful day as a treat after being in isolation for so long! This year's annual Kids for Kids' Executive Fly Fishing Day will take place at Park Lake, the Duke of Northumberland's private lake – utterly beautiful and ours for the day. The secluded lake will be stocked with rainbow trout and if you have never tasted trout straight from the water to your plate than you have no idea how delicious it is. Of course, you will have to catch it first!

The perfect day out for beginners and experienced fishermen alike. Tuition by qualified trainers (if needed) for beginners along with all tackle will be provided. Enjoy coffee, tea, wine, beer and home-made cakes throughout the day plus breakfast, lunch or both depending on your ticket type.

We really are fishing for goats (well, not literally!) – but goats that will give their valuable milk for children who are hungry in Darfur, Sudan. We need as many as we can get as the need is huge.

Full Day, AM, and PM sessions all available. Book now as tickets will sell out quickly...who wouldn't want to go fishing this year?!
