

The Perfect Gift this Christmas?

A Tree – of course!

Buy a tree for Christmas here, and a tree for children in Darfur

Kids for Kids provides sustainable help to families in remote villages. Your tree will help turn the desert green again.

If you give a child in Darfur a tree this Christmas, you are giving them a future.

It costs just **£10** for **one tree** to stabilise the desert and provide shade to children. **£15** buys **three trees** that will help fight climate change in a region rapidly turning to desert.

£45 will provide **20 fruit trees** by the straw huts which are home for children in Darfur.
