Gift Your Mum a Goat!

Sunday 14th March – Mother's Day

This year why not give your Mum a gift that keeps on giving! By donating a goat you will be helping a mother in Darfur to feed her children and to earn a living for her family!

Times are hard in Darfur and we believe that it's not just our own mothers we should be thinking about and celebrating this Mother's Day – let's celebrate and support the mothers of Darfur too!

A Goat allows a mother to protect her children from starvation by giving them nutritious milk and provides the opportunity for her to earn an income by selling excess milk and yoghurt. For the first time, a mother will be able to influence her family's future.

Donate a Goat to Kids for Kids and we will send you a unique personalised Mother's Day Gift Certificate.
