

Join the Kids for Kids 100 Club Today!

Your chance to help children in Darfur and win a prize yourself. Tickets are available at just £10 a month giving you the chance of winning... **£500 every month!**

Each month's draw takes place at the end of that month, with up to £500 allocated as that month's prize to the lucky winner, and up to £500 given to help children in Darfur. With only 100 tickets available each month the chance of winning is high!

Join our Lottery Club now!

You may purchase as many tickets as you like, either for yourself or as an exciting Gift. We will send you details of your Kids for Kids' 100 Club Lottery Number/s and you will be automatically entered into the Prize Draw every month. The odds are extremely good, with some lucky supporters winning more than once already!

Just think – with your winnings you could give gifts to your children, your grandchildren, or have a treat yourself, knowing that children in Darfur are benefitting each and every month. Thanks to members, we have been able to provide goats to more families every month in Darfur - and every two years each family passes on healthy kids to help more children. Children desperately need milk right now, and this is our way to thank you, and to help them. Every month we will be helping more children, thanks to the 100 Club.

With a maximum of 100 in the Club the odds are much better than the National Lottery – and Kids for Kids wins too!
