# *Christmas Gift Certificates*

*The best gift for someone who has everything,  
is giving hope to those who have nothing.*

Imagine you have no bed. You sleep on the sand. Mosquitoes and sandflies keep biting. You have diarrhoea but there are no latrines. You're thirsty, but the jerry can is empty. There will be nothing to drink until you have walked across the desert to the handpump five miles away. No water to wash with, or to drink. Your breakfast is made from sorghum. You had the same yesterday, and the day before.

Then you wait for supper, the same again. You cannot read or write.

Your mother cried when the donkey died.

There was no veterinary care and there is no money to replace him.

What if you are ill? What then?

**That is how we would live if we had been born in Darfur.**

*Give a Christmas Gift Certificate,  
the best gift a child in Darfur will ever have*

**For 20 years Kids for Kids** has been helping people to help themselves, to stay in their homes, to give children a chance. Violence, drought and overwhelming inflation have left families in desperate need. Our sustainable projects lift families out of poverty and transform whole communities long-term.

**We give mothers hope at last.**

**Give a Goat this Christmas and a child will have milk to drink.**

**And this year, whatever else you do, Plant a Tree and it will grow to give shade — and hold back the desert. Where we have planted community forests in Darfur birds and animals are returning.**

**These are unimaginable gifts for families who have so little.**

*We send your gift to Darfur  
and a special Certificate  
to your loved ones*

# CHRISTMAS GIFTS THAT LAST ..... AND LAST

We lend 5 Nanny Goats to a family so children have milk immediately, and, as the little flock grows, the mother gets a livelihood. The milk and yoghurt she sells will help the whole community. Empowering women transforms a village. After 2 years 5 offspring help another family, and the loan starts its magic again. \*

**No child has even been given a gift before — now is your chance!**
