

*Children need you more
than ever this Christmas*

*23 years
giving children a
brighter future*

Christmas Gift Certificates

*The best gift for someone who has everything,
is giving hope to those who have nothing.*

Imagine you live in a little straw hut. You have no bed. You sleep on the sand. Mosquitoes and sandflies keep biting. You have diarrhoea but there are no latrines. You're thirsty, but the jerry can is empty. You're hungry but there is no food. And war is waging outside. You can hear the fighting and shooting. Your father is away. Your mother keeps crying. You are so scared but you don't know what to do.

That is how children in Darfur are currently living. We must help.

*Give a Christmas Gift Certificate,
Give a Child in Darfur a Brighter Future*

For 23 years Kids for Kids has been working with communities to introduce successful sustainable projects—and in these turbulent times, these projects are proving more valuable than ever.

Our little Goats provide protein-rich milk when food is scarce and prices have rocketed by 500%. Our midwives are saving lives when hospitals are barely functioning. Our handpumps provide clean water close at hand so children and families don't face danger on the daily walk for water.

We give families hope. Our training enables them to help themselves.

**Give a Goat this Christmas and
a child will have milk to drink,
a Mother will have an income and
the whole family a brighter future.**

**5 Goats for a family is an unimaginable gift for a
mother - who has so little to give her children.**

*We send your gift to Darfur
and a Christmas Certificate
to your loved ones*

CHRISTMAS GIFTS THAT LAST AND LAST

We lend 5 Nanny Goats to a family so children have milk immediately, and, as the little flock grows, the mother has an income for the first time. The milk and yoghurt she sells will help the whole community. Empowering women transforms a village.. After 2 years 5 kid Goats help another family, and the loan starts its magic again.

No child has even been given a gift before — now is your chance!

*Prices are approximate as inflation is currently unpredictable. Unlike other charities it is our policy to provide everything for which you have donated as described. In the unlikely event that an item is over-subscribed or unavailable, we will replace it with something similar and equally vital. There are 110 Kids for Kids' villages in Darfur where children have the chance of a better future thanks to our projects which mothers tell us transform their lives. Everything we provide has been asked for by mothers for their children.

Our Guarantee and Your Privacy

We believe that you should know how we spend your donations. This is why we would like to keep you up to date with what we are doing in Darfur to really make a difference. We feel passionately about confidentiality and would never give or sell any of your details to anyone, ever. We will also not overwhelm you with mailings, as we normally send news only twice a year. We do not advertise, so would appreciate your help in telling people what is happening in Darfur. If you would like more frequent information please look at our Website and Social Media Pages, or please get in touch:
