A Unique Gift that Makes a Difference

What do you give to someone who says
'I have everything I could possibly need?'
A GIFT CERTIFICATE - of course.

Kids for Kids' personalised Certificates are the perfect gift, not only for your loved one, but for the children desperately in need in Darfur.

We have gifts for every budget. Just visit www.kidsforkids.org.uk/gifts-for-Darfur/ to donate Seed for Planting (£15), a Goat (£50), a Donkey (£65), animal vaccinations (£100) or even a Midwife (£2,000) on behalf of a loved one. Long after Christmas is over, your gift will continue to make a difference. These are the best sustainable presents ever!

Christmas Coffee Morning or Christmas Lunch?

What better way to have a Christmas catch up with friends and family than over a cuppa and mince pie? Or why not a full-blown turkey with all the trimmings? We want you to have a wonderful time, and at the same time help feed a family in Darfur. Food prices in Sudan are soaring. Children are starving. We need emergency seed (£15 a sack). That's just £5 each for you and two friends? Or could you ask 9 friends and raise enough for a little Goat (just £50) to provide desperately needed protein-rich milk? Hold a raffle and raise even more! Have festive fun with friends and help a family!
